FEBRUARY SPOTLIGHT

FIRST INTERNATIONAL WOMEN'S DAY GALA

On March 7th, 2025, the McMaster Women in Engineering Society made history with its first-ever International Women's Day Gala. The night sparkled with inspiration as attendees came together to celebrate the achievements of woman-identifying students in the McMaster Engineering community. With an empowering award ceremony, a candy station, bouquet station, photobooth, and a delicious dinner, the event was a true milestone for our society. A huge thank you to our incredible attendees and supporters for making this unforgettable evening possible!

APPLY TO BE A PART OF OUR TEAM!

Applications for our 2025-2026 team are live! If you are interested in joining our society and making change in our community, apply by April 9th, 2025. Role descriptions can be found on our website.

FEBRUARY EVENTS

WIE x EGS Info Night

WIE and the Engineering Graduate Society teamed up for an info night where attendees got to hear from current engineering graduate students about their unique academic and career paths.

First Year Stream Selection Night

Congratulations to our first year representatives, Faryal and Nicole, for throwing their first and very successful event! Stream Selection Night was bustling with Engineering 1 and iBiomed students mingling and asking questions!

Iron Ring Nails

Our Co-VPs of Social pulled off the coordination of dozens of free nail appointments for our graduating students. Kudos!

INTRODUCING OUR 2025-2026 CO-PRESIDENTS!

Leading the way for McMaster WIE in 2025-2026 are Presidents Rhiannon Vu (Mechanical & Biomedical Engineering) and Julia Pona (Chemical & Biomedical Engineering)! With their passion for equity and innovation, they're set to empower the WIE community, foster meaningful connections, and drive impactful initiatives. Stay tuned for an exciting year ahead!
