JANUARY SPOTLIGHT

WIE x MAST GLIDER-BUILDING NIGHT

The WIE community flew into the new semester in a wonderful collaboration with the McMaster Aerospace Team (MAST). We hosted a glider-building night that had participants and planes soaring. It's not always you'll have to watch overhead if you're passing by the Junction, just when the WIE community is getting creative and taking off! Congratulations to our wonderful teams on some great builds.

IDEA 2025

IDEA 2025 was a wonderful day of learning, making connections, and having meaningful conversations. The day was highlighted by a powerful speech from the keynote speaker, Réjeanne Aimey, who spoke on the theme of intersectionality and answered questions about everything from standing up for yourself to work-life balance.

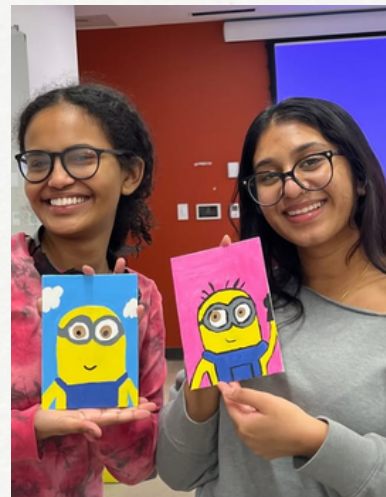

JANUARY EVENTS

Mentorship Paint Night

Mentorship events are back, and more creative than ever! Mentees and mentors met to spend a relaxed night painting and chatting. With semester two ramping up, it was a perfect night to kick back and give or get some guidance!

Bio-Pharma Career Panel

The Bio-Pharma career panel was an insightful and informative event, a great collaboration with ISPE and the iBioMed Society.

Mentorship paint night – good conversation and creative juices flowing!

UPCOMING EVENTS & INITIATIVES

Get ready for more great events! Coming soon:

- **Mentorship Study Night – Drop-in & Donuts:** February 3rd
- **Yoga Social**
- **Planetarium Night**
- **IEEE Heart Soldering**

...And while we can't say anything yet, look out for a brand new, very special event coming to you in March!

Join us for our 2nd annual The Centre x WIE Industry Night on February 11th!

Looking to grow your networking skills and build professional connections? Companies like Stelco, ABB, and Empire will be in attendance. Industry Night will be from 5pm to 8pm in CIBC Hall (3rd floor of MUSC!). Snacks and drinks will be provided. Remember to wear business casual or formal attire and have your resume on hand. Register through Oscar Plus. We hope to see you there!

FALL AMBASSADOR WRAP-UP

WIE is incredibly proud of our Fall 2024 Ambassadors. These individuals took the initiative to give wonderful presentations to highschoolers in their hometowns, sharing insights about their personal experiences in engineering and informing younger students of all the different paths they can take to achieve their STEM-related dreams! With a whopping 33 ambassadors, this has been one of WIE's biggest cohorts yet, and we can't wait to keep growing and giving back to communities across Ontario!
