OCTOBER SPOTLIGHT

Intuit Project Management Workshop

The Intuit Project Management Workshop was a fantastic success! As a generous sponsor of McMaster Women in Engineering, **Intuit**—an industry leader in financial software solutions, including TurboTax and QuickBooks—provided invaluable insights into effective project management strategies. Attendees had the chance to learn directly from Intuit professionals, covering essential tools, techniques, and tips for successfully managing projects. Thank you to everyone who participated and to Intuit for empowering students to enhance their organizational and leadership skills!

AMBASSADOR PROGRAM KICK-OFF

Over Reading Week, our WIE Ambassadors visited their high schools to share their engineering journeys at McMaster! They're inspiring the next generation and promoting diversity in STEM. Way to go, team!

SEPTEMBER EVENTS

Mentorship Clay Sculpture Making

Our mentorship teams got creative and bonded through a fun sculpture-making activity, strengthening connections and building community!

Spooky Social

Our Spooky Social pumpkin painting event was a blast! Attendees got creative while enjoying classic Disney Halloween episodes, making for a fun and festive night!

Check out the WIE community's artistic prowess!

Paints, pumpkins, and good TV: a night to remember!
