

COLLABORATIVE NOVEMBER

This month WIE had the opportunity to collaborate with many clubs and organizations from within our community and beyond! This included spin class at the Pulse, pennant making with Engiqueers, mentorship with MEwD, a Makerspace workshop and an info night all about Hackathons with DeltaHacks, GDG and MacHacks!

NOVEMBER SPOTLIGHT

ALUMNI BRUNCH

On November 22nd, we hosted the WIE! second annual Alumni Brunch! This gave students and Alumni the opportunity to network and learn from others shared experiences and interests. The brunch included keynote remarks from Amanda Lykos and Gina Succi as well as Dean Heather Sheardown. Thank you to all who came out and chose to share their experiences and insight.

WIE STAYING COZY W/ FRIENDS

On a festive afternoon in November, the WIE community gathered for a Cookie Decorating Social. Members enjoyed icing and sprinkles while catching up with friends, meeting new faces, and getting into the holiday spirit. It was a sweet way to unwind before exams and celebrate the end of the term!

On a cozy night in late November we hosted a Mentorship Make and Mingle event with MEwD. Mentors and Mentees came together to make cards and origami while enjoying some hot chocolate and staying warm!

Each week, we ask you to share your thoughts through our Instagram and Discord, and the results are in! Check out a highlight from what the WIE community had to say in this month's Monday Polls.
